

La Crosse Fish and Wildlife Conservation Office

The mission of the U.S. Fish and Wildlife Service is *'Working with others to conserve, protect, and enhance fish, wildlife, plants and their habitats for the continuing benefit of the American people'*

The La Crosse Fish and Wildlife Conservation Office helps fulfill the Service's national mission by working with partners throughout the Upper Mississippi River Basin to safeguard populations of native aquatic species and their habitats.

The La Crosse Fish and Wildlife Conservation Office works with others to

Remove barriers to fish migration

Restore endangered fish and mussels

Encourage landscape-scale conservation

Fulfill Native American trust responsibilities

Promote environmental stewardship & recreation

Control invasive aquatic nuisance species
